ANNEX VI

Reporting format for the in-service verification annual overview

A. General information

(1)	Granting type-approval authority.	SPAIN. Ministry of Industry and Tourism
(2)	Date of annual overview.	February 2026
(3)	Year concerned.	2025
(4)	Total number of in-service verification families for which the authority has issued emissions type-approvals in the three calendar years preceding the in-service verification	902
(5)	Minimum number of in-service verification families to be tested: (= 2 % of point (4))	902 x 0.02 = 18
(6)	Total number of in-service verification families tested in the year concerned Planned	18

B. List of the in-service verification families selected for testing
